Strum: D U U D U

All notes in each chord are strummed together, not picked one at a time. D = downstrum, U = upstrum.

CHORD PROGRESSION (KEY OF D)

D → D → D → D

G → G → D → D

A → (C / G) → (C / G) → Turnaround (A)

Each box = 2 measures (8 beats). Cycle back to the top after the last box.

How to read this: 0 = open string. Number = fret that string. Play one note at a time, left to right.
